Spotlight on....Casey!

Casey was our first "purchased" program horse, he is 29 yrs old, and is a Chestnut Paint. He is also our oldest horse, and was a stallion until age 10. He loves cinnamon Pop Tarts and carrots but hates APPLES! Please give him a special snuggle when you see him next time!
 We love you Casey! ❤️

Volunteer Appreciation Post

PEGGY UNGER

Peggy found HTH through her friend Bill, who encouraged her to volunteer even though she had zero experience or interest in horses, but that didn't stop her! (she's an animal lover, so are we surprised? No) She is retired from a career of commercial trucking insurance and workman's comp programs. Peggy believes if you have a good heart and good vibes, you can become a volunteer and you can "make someone's day" by serving this unique community. She is also a licensed yoga instructor, has 1 son, 1 daughter and 1 grandson. She loves to vacation and get her hands dirty at organic farming. She thinks Kane is the best horse for inexperienced riders, but also loves Casey. Don't hesitate or feel intimidated to volunteer; our supportive staff will guide you every step of the way.....Thank you Peggy for your service!
